PORTFOLIO
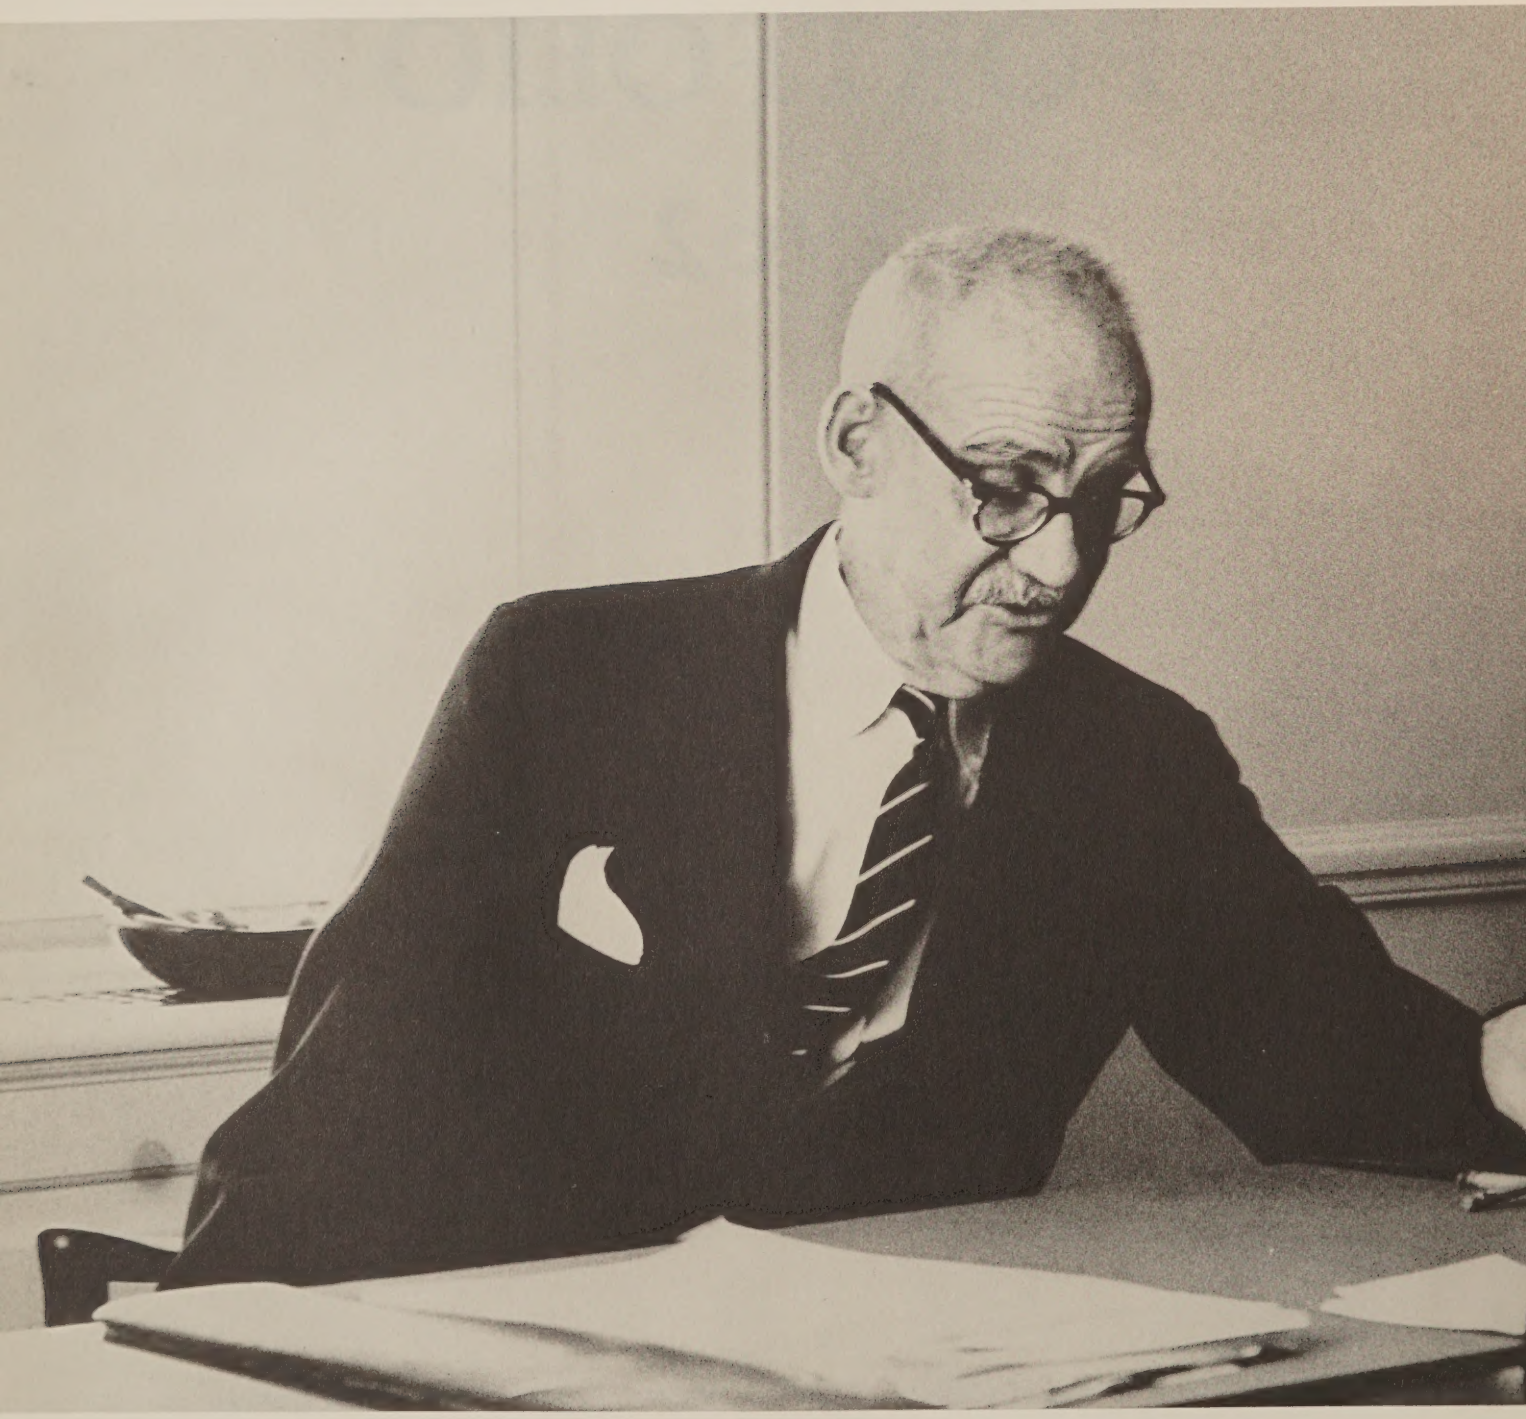
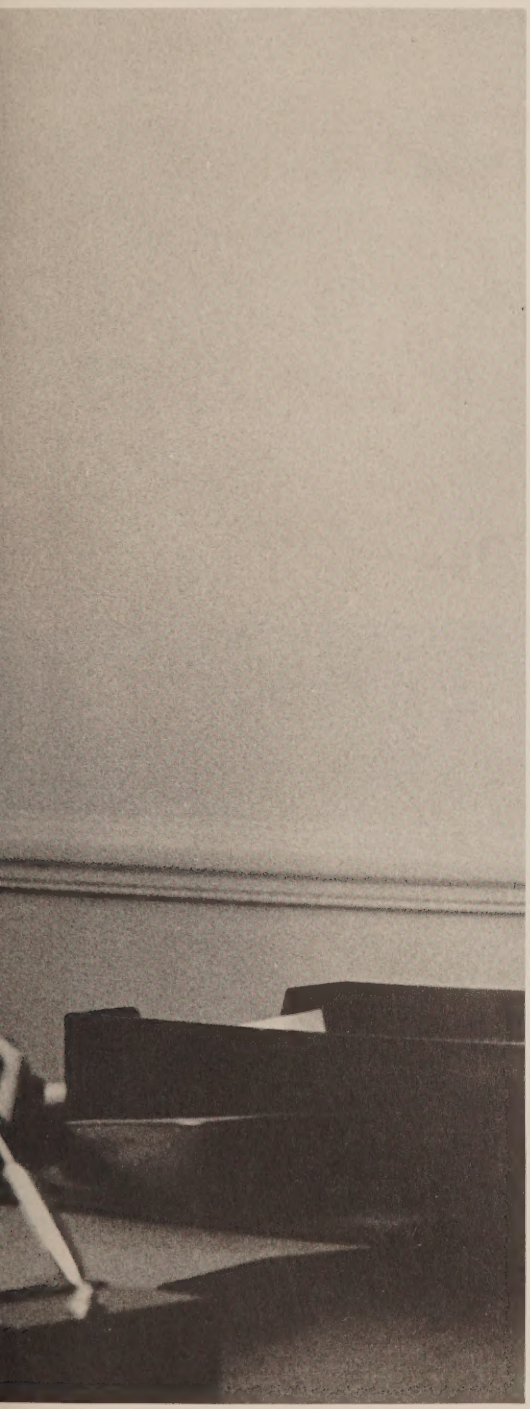
1962

Rhode Island School of Design 2 College Street Providence 3, Rhode Island





To the Members of the Class of 1962:

We began our association four years ago with high hopes. It is our earnest wish that the years ahead will see these hopes fulfilled.

Speaking on behalf of the trustees, the administrative staff and the faculty, I trust that your undergraduate years have been pleasant and that time and your careers as designers will prove them profitable as well. We extend our best wishes for the future. *John R. Frazier*
